

ACTS- Leadership Lessons for the Church - Week2

- Describe your comfort zone.
- If you have ever skydived, tell your story. If not, tell a story of the scariest thing you've ever done.
- What helped you have the courage to do that scary thing?
- Whom do you know that is courageous? What makes them courageous?

Satan attacks those who are a threat.

- When you are attacked, what gives you courage?

“Confidence comes from knowledge.”

“Courage is what you need when you don't know all the answers”

- Discuss the difference between confidence and courage. What's the difference between self-confidence and God-confidence?
- What is something God has called us to do that scares you? (tithing, serving, sharing faith,...) Why does that act of faith scare you?

1 Cor. 16:13 “Stand firm in the faith. Be courageous. Be strong.”

(Self) Confidence without courage leads to pride, and pride leads to failure.

- Can you tell a story of a time you failed, because you were acting in (self) confidence?
- Can you tell a story of a person in the Bible who succeeded because they acted in God- confidence, and courage?
- What's your next step? What will you do this week to move toward that?
