

# ACTS- Leadership Lessons for the Church - Week 4

**Acts 7:59-60 Pain was not being caused by God, it was being caused by sinful men.**

- When you endure hardships, who do you blame?
- Do you resist God, run from God, or run to Him?
- Are you quick to forgive or do you hold grudges?
- Would you be willing to go to your death if that's what your faith required?

**Good followers make good leaders.**

- Are you able to submit to and respect a leader you don't respect? Why/why not?

**“Don't retaliate with insults when people insult you. Instead, pay them back with a blessing. That is what God has called you to do.”1 Peter 3:9**

- Have you ever seen a leader live like this?

**We get to choose how we respond to storms.**

- Are you more of a cow or a buffalo? Explain.

**Four things leaders should do in storms:**

1. **Charge**
2. **Adjust**

- Can you give an example of pain in your life that God has used for good?

**When you don't know what to do, go back and do the last thing God told you to do.**

- What is the last thing you know God told you to do?

**3. Breathe**

**4. Pray**

- Are you currently in a storm? End your time together by praying for each other.
