

ACTS- Leadership Lessons for the Church - Week 6

- If you found a genie in a bottle and could have three wishes (no unlimited wish requests), what would you wish for?
- Prior to this sermon, what did you think/know about the Holy Spirit? What have you been taught in the past?
- What is the difference between faith in yourself and faith in God? What does that look like practically?
- Why are we prone to have more faith in ourselves than in God?

Access gives us communion not control.

- Why is communion with God superior to control over the Holy Spirit?
- Has being a Christian changed your life? If so, how?
- Talk about the analogy of flightless & nearly flightless birds versus falcons.
- What does being a spiritual falcon look like? Do you know anyone who actually lives like that?
- What is your next step? Do you need to begin a relationship with God? Do you need to grow closer to God? What are you willing to do to make that happen?
